THE CONNECTED PATHWAYS IMPLEMENTATION FRAMEWORK

A practical framework for moving from awareness to confident classroom implementation.

SUSTAINED GROWTH
Sustain

Support Options:
• Follow-up sessions
• Leadership support
• Collaborative planning
• Implementation reflection
Outcome:
Schools sustain confident Indigenous education practices.

REFLECTION
Deepen

Session:
Pedagogical Shifts: Embedding Indigenous Ways of Knowing
Focus:
Exploring how Indigenous ways of knowing shape classroom practice
Outcome:
Educators deepen understanding and confidence in this work.

PRACTICE
Apply

Session:
Place-Based and Land-Based Learning in School Contexts
Focus:
Practical strategies for integrating Indigenous perspectives and land-based learning.
Outcome:
Teachers develop lesson ideas and classroom strategies they can use immediately.

RELATIONSHIP
Connect

Session:
From Land Acknowledgement to Land Relationship
Focus:
Moving beyond symbolic gestures toward meaningful connection with the land.
Outcome:
Educators explore ways to build authentic relationships with place.

AWARENESS
Understand

Session:
From Calls to Classrooms: Truth and Reconciliation in Practice
Focus:
Building shared understanding of reconciliation in education.
Outcome:
Teachers and leaders gain clarity about how this work connects to classroom practice.
